OFFICE OF LEGISLATIVE COUNSEL

Thursday - 22 May 1975

[REDACTED]

1. [REDACTED] Tim Hardy, Presidential Commission staff, called to determine what success we have had in getting released to the Presidential Commission a copy of the 27 June 1947 hearing before the Committee on Expenditures and the Executive Departments on the CIA section of H. R. 2319, unification of the armed forces. This document would be helpful in providing authoritative legislative history on certain of the Agency's authorities.

2. [REDACTED] Called Bill Hogan, Counsel, Intelligence Subcommittee, House Armed Services Committee, regarding the possibility that the hearing of 27 June 1947 before the Committee on Expenditures and the Executive Departments was transferred to the House Armed Services from the Committee on Expenditures and the Executive Departments. Hogan will look into this possibility and will also provide guidance on the general problem of further distribution of an executive session hearing of a congressional committee which is in the possession of a Federal agency.

3. [REDACTED] Called Jack Blum, Subcommittee on Multinational Corporations staff, Senate Foreign Relations Committee, and suggested Tuesday, 27 May 1975, at 11:00 a.m. for a briefing on the political situation in Korea. [REDACTED] OCI, has been identified as the briefer. 25X1A

4. [REDACTED] Talked to Clark McFadden, General Counsel, Senate Armed Services Committee, who said the Newsweek article on Agency proprietaries is on Chairman John C. Stennis'(D., Miss.) reading list and asked if we could provide an appropriate fact sheet. [REDACTED] C/CCS, has been alerted. 25X1A

In another conversation with McFadden, I explained to him that we were prepared to continue the NID at least through the recess and McFadden was relieved at this and said that as a result he will not have to take the matter up with Chairman Stennis at this time.

5.

[redacted] Erich Foreman, Intern and on the staff of Senator Dale L. Bumpers (D., Ark.), called and said the Senator would like a briefing on the Middle East. In a later conversation Foreman said the Senator would only permit those on his staff who have security clearances to sit in on the briefing. Foreman said he has a TS clearance and he would let us know the status of any other staffer who might be involved. It was agreed that I would get back in touch with Foreman about a possible briefing date sometime during the week of 2 June.

6.

[redacted] Wilma Lehman, Civil Service Commission, called to give me the status on the Daniels' bill, H. R. 6227, right of counsel. An amendment has been drafted which would limit the right to that point where there is a formal adverse personnel action, but she is concerned that no one will introduce an amendment. Representative Richard C. White (D., Texas) is sponsoring the amendment to fully exempt the CIA, NSA, FBI and TVA indicating that this will satisfy the Administration's objections to the bill.

8.

[redacted] Senator Dick Clark (D., Iowa) visited Headquarters for a get-acquainted session which was hosted by the Director and Messrs. Paul Walsh, A/DDI, [redacted] NIO/SEA, and [redacted] OLC, also attended. The Senator would like to return for a tour through the building and also to obtain a briefing on southern Africa, in light of his Chairmanship of the Subcommittee on African Affairs, Senate Foreign Relations Committee, and his plans to travel to southern Africa in the near future. We will contact Julie Marshall, of the Senator's staff, to set up a date prior to the 10th of June.

25X1 8. [redacted] Accompanied [redacted] OCI, to a meeting 25X1A
with Pat Holt, Senate Foreign Relations Committee staff, to explain the
necessity for terminating distribution of the NID to the Hill and to offer
the Weekly Summary and other support as a substitute. He said the
membership would have to be advised of the circumstances and would be
unhappy, but their criticism would not be directed towards the Agency. 25X1A

In line with arrangements worked out last year, I offered to
Holt in a sealed envelope, for Chairman John Sparkman (D., Ala.) only
the number of [redacted]

25X1A [redacted] Holt accepted the envelope in the spirit that such a
cooperative arrangement could be a valuable assurance against legislative
initiatives within the Committee affecting this subject.

25X1 9. [redacted] In the absence of David Keaney, Senate
Foreign Relations Committee staff, left with Linda Puglisi, Secretary,
a copy of the Law of the Sea Country Study - Canada.

25X1 10. [redacted] Jack Blum, Subcommittee on Multinational
Corporations, Senate Foreign Relations Committee, called in connection
with the Subcommittee's current investigation into the payments by Gulf
Oil Company for political purposes in Korea, and asked if we could arrange
to have someone come up and brief him on the political situation in Korea
and whatever else we might have bearing on the topic under investigation.
He also would like to know the role of Tung Sun Park, what is his connection 25X1
and how he relates to Park Chung Hee. I told Blum we would be back in
touch.
